About Victoria Centre

Victoria Centre, was founded in 1979, as a Centre for the whole community and provides a meeting place for the richly diverse multi-cultural, multi-faith community of Wellingborough. We are committed to promoting equality of opportunity and working alongside other organisations in the locality for the benefit of residents.

Our work as a charity is partly funded by Councils and by grants from a range of funding bodies, we also receive gifts and generous donations. We hire out our rooms to local groups and run activities, such as a Friendship Club for the over 50s, our Preschool, and Children’s Holiday Clubs. However at this time some of our activities are on hold, although we are heavily involved in schemes such as ‘One Wellingborough’ (1W), providing urgent support to our local community during this time of national crisis.
